This attractive residence is situated in the prestigious area of Hampstead in a quiet tree lined street across the road from the school.

The college is on the 13, 82 and 113 bus routes to the West End of London, which will take approximately 20 minutes.

The nearest tube stations are Hampstead, Golders Green and Finchley Road.

The residence has been refurbished recently and provides comfortable accommodation for 390 students. There is central heating throughout and each room has its own hand basin. One bathroom, toilet and shower is allocated to every 10 students. Students will need to bring towels. The bed linen is changed once a week and laundry facilities are available.

The residents have no curfew at night. The reception office is open throughout the day and night so late arrival is quite easy. The usual check in time is 14.00 and rooms are not always ready until this time. Rooms must be vacated at 10.00 on the day of departure.

There is no key deposit, but if a key is lost, the students will have to pay the cost of the key card.

Accommodation is offered on a bed and breakfast or a dinner bed and breakfast basis but kitchen facilities are available for coffee, tea and cold snacks. There are no cooking facilities. There is a range of restaurants providing cheap meals in the vicinity.

Please note that this is hostel accommodation and although it is cleaned every day, there may be times when the common areas and bathrooms have been used by a number of people and the level of cleanliness may not be what you are accustomed to at home.

Meal times are adhered to and although the staff will try to provide food to latecomers, students are advised to eat at the prescribed meal times. As with the level of cleanliness, the food is adequate and represents good value but students should not expect the variety and quality that they are accustomed to in their homes.
