Seattle

Big business in a cosmopolitan city

Prosperity first came to Seattle with the Klondike Gold Rush of 1897, but the city's 21st century wealth is based on coffee and technology: Microsoft, Amazon and Starbucks all have headquarters here. From the famous Space Needle you get a 360° view of Seattle's spectacular environment, from the Pacific Ocean to the Cascade Mountains. Make the most of the great outdoors by skiing, hiking or kayaking or simply stroll along Seattle's colourful waterfront.

The Kaplan Aspect school is just one block from the University of Washington in a busy, academic neighbourhood. Surrounded by cinemas, shops, lively bars and restaurants, the school gives easy access to downtown Seattle. Facilities include a computer lab, a student lounge and library, internet kiosks and a free wireless internet connection.

Why choose this school?

- Seattle is home to several multinationals and still emanates a great pioneer spirit
- Our school is close to the University of Washington in a buzzing student area
- Enjoy a range of cultural events from ballet and theatre to great live music and sporting events

“

I need to learn English for my career.

When I first arrived in Seattle I didn't know any English, but now I can understand it and feel confident when speaking it.

Susana Cabrera Morillo, Spain

Malta

The magic of the Mediterranean

For 7000 years, visitors have been drawn to this sun-drenched isle. The Romans, Turks and British were attracted by its strategic position between Europe and Africa. Today's visitors are also drawn here by its stunning location. The island's blue water harbours are brimful with colourful fishing boats, its hilltop citadels hide narrow streets and baroque bell towers, and unspoilt countryside surrounds its prehistoric temples. A beautiful coastline and the sparkling waters of the Mediterranean add the finishing touch.

Kaplan Aspect's partner school is found near the marina in the attractive resort of Sliema, just a short bus ride from the island's capital, Valletta. Facilities include a multimedia centre, TV/video room, a cafeteria and student lounge. Our students enjoy the island's great water sports, a lively nightlife and even its popular tradition of horse racing!

Why choose this school?

- Malta has a captivating history, beautiful beaches and a relaxed island lifestyle
- Practise your language skills with friendly, English-speaking islanders
- Great excursions to the neighbouring islands of Gozo and Comino

Special course:

We offer a separate teenage centre in Gzira and an adult summer centre in Ghajnsielem on the island of Gozo.

“The staff at the school are really helpful. The teachers are also very friendly and professional, which makes it the ideal place to improve your English!
