HARROW HOUSE INTERNATIONAL COLLEGE

Harrow House Swanage

Harrow House Swanage occupies an elevated position in the centre of the town, enjoying splendid views of the surrounding Purbeck Hills, the sea and the Isle of Wight. The sandy beaches and the town's attractions are within 10 minutes walking distance.

Harrow House is the only language school in Swanage and therefore our students are guaranteed maximum integration with English people, their customs and the English way of life.

Our Mission Statement

We at Harrow House are dedicated to providing our students, employees and partners with the highest standards of learning and personal development in a fun and culturally diverse environment. With constant improvement of our programmes, facilities and services through continuous innovation and creativity, we are committed to being the Premier English Language Education and Training Centre.

Together this creates a unique concept which we call 'The Harrow House Experience.'

Swanage, the capital of the Isle of Purbeck and approximately 2.5 hours from London, is a popular seaside resort on the south coast of England, with long inviting expanses of sandy beaches, clear unpolluted water and breathtaking coastal scenery. The town provides a warm welcome to all visitors and retains an atmosphere of safety and tranquillity. In a recent publication, Dorset was found to be the safest county in England. Due to its geographical position, Swanage enjoys a very mild climate and often heads the British Sunshine League.

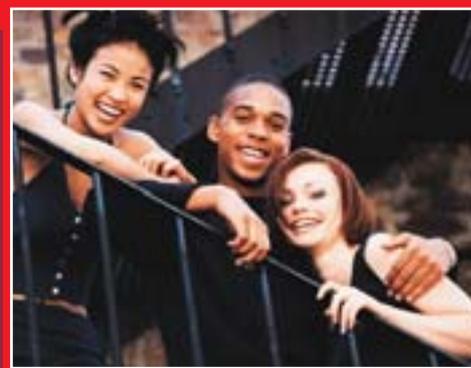

Swanage offers a variety of entertainment including traditional English pubs, speciality restaurants, wine bars, pavement cafés, takeaways, fun parks, carnivals, fairs, festivals, live music, cinema, theatre, disco, scenic walks, museums, a ride on a historic steam train and many other things to do.

Welcome to the Jurassic Coast - Swanage, listed as one of the top 4 seaside resorts in the UK for cleanliness, safety and outstanding beauty, is considered to be the gateway town to England's first natural UNESCO World Heritage Site. This unique stretch of coastline has joined the ranks of the Great Barrier Reef and the Grand Canyon as one of the wonders of the natural world. The coast is famous for its fossil discoveries, its unparalleled range of beautiful sandy beaches and its many historic towns and villages.

Junior Easter Courses

Junior Courses

The first course offered at Harrow House in 1969 was a Junior Course, which makes our Junior Programme one of the most established and longest running Junior Courses in the UK.
