Stylish waterfront living

The white sails of the Opera House and the beautiful arch of the Harbour Bridge make Sydney one of the world's most recognisable locations. In this vibrant and welcoming waterfront city you can shop in the historic Rocks District, learn to surf at one of the city's 37 beaches, relax over superb international cuisine or head out to explore the stunning Blue Mountains and go wine tasting in the Hunter Valley.

Our school's excellent facilities include a study centre with a library and over 60 computers. In addition, there is free wireless internet access throughout the building, even on the balcony where students can enjoy a fresh coffee or juice with food from our own café!

Sydney is a great place to study English and a fantastic city!

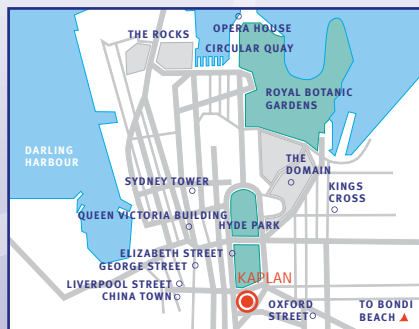

Studying at Kaplan is the best way to make friends from all around the world.
