VISA

All foreign students coming from non-EU countries must obtain a visa for study from the Italian/Spanish Consulate or from one of the Italian/Spanish diplomatic representatives in their countries of origin.

DOCUMENTS YOU NEED TO OBTAIN A VISA:

1. a valid passport
2. your enrolment certificate (the declaration issued by Istituto Europeo di Design in which the school guarantees that the student is duly enrolled. You must receive, along with the visa, one copy of that certificate stamped by the Embassy/Consulate)
3. the conditions of accommodation in Italy/Spain (residence or hotel reservation, rental of an apartment etc.)
4. a consular statement concerning health care in Italy/Spain. Students must also prove that they have sufficient means of subsistence for their entire stay in Italy/Spain and to go back in their home country.

COLOMBIAN STUDENTS

IED offers a free service through our partners in Colombia - Family Firm Consulting Ltda. They advise students about the necessary documentation and handle students' visa applications with the Spanish consulate. This minimises the number of applications refused.

RESIDENCE PERMIT FOR FOREIGN STUDENTS IN ITALY EU STUDENTS

All EU students staying in Italy for a period longer than 3 months must apply for domicile ("domicilio" - registration as a temporary resident) at the City's Office of the Municipality, where the students live.

PLEASE PREPARE THE FOLLOWING DOCUMENTS:

1. Passport or ID (original + 1 copy)
2. An original of the Certificate of enrolment from the Istituto Europeo di Design with the indication of the length of course
3. EHC European Health Insurance Card (in Italy: TEAM Tessera Europea di Assicurazione Malattia)
4. Tax File Number
5. Proof of available means of support for the stay in Italy (no less than € 5,061.68)

NON-EU STUDENTS

All foreign students who plan to study in Italy have to apply for a permit to stay within 8 days of arriving in Italy. The application procedure and the validity of the permit vary from country to country.

In Italy, foreigners can now apply for and renew their residence permit (permesso di soggiorno) at the Post Office and then track the progress of their application online at www.portaleimmigrazione.it

PLEASE PREPARE THE FOLLOWING DOCUMENTS:

1. Four passport photos (all pages - x2 copies of the main page and visa)
2. A copy of your passport
3. An original of the Certificate of enrolment from the Istituto Europeo di Design, stamped by the Embassy/Consulate
4. A health insurance policy providing coverage from the Health Care Service in Italy:
 - . An insurance policy from your home country with a declaration from the consulate that it is valid in Italy and a description of the duration and health service coverage provided, specifying that there are no limitations on the cost or a duration of an urgent hospitalisation.
 - . Any other insurance that covers the same risk along with a declaration from the insurance company specifying that there are no limitations on the cost or the duration of an urgent hospitalisation.

RESIDENCE PERMIT FOR FOREIGN STUDENTS IN SPAIN

Important: IED Barcelona will provide information regarding the residence permit but the student will manage the procedure by himself with the local police.

All foreign students who plan to study in Spain have to apply for a residence permit (Tarjeta de Residencia). The application procedure and the validity of the permit vary from country to country and also with the motivation of the request.

EU STUDENTS

Students from the EU receive a residence permit valid for 5 years and renewable thereafter. Please note that this does not depend in any way on economic activities.

PLEASE PREPARE THE FOLLOWING DOCUMENTS:

1. Three passport photos
2. A copy of your passport
3. An original of the Certificate of enrolment from the Istituto Europeo di Design
4. Sickness and accident insurance

NON-EU STUDENTS

The residence permit for study purposes is valid from the beginning until the end of the course, usually no more than one year. The permit is issued by the local police.

Please prepare the following documents:

1. Three passport photos
2. Your passport, together with two copies of the pages with the stamp issued by the Spanish Embassy or Consulate in the student's home country and with the stamp of the date of arrival in the Schengen Area of the EU from the immigration authorities at the airport
3. Documents regarding your current address in Spain: a rental contract or any other declaration.
4. An original of the Certificate of enrolment from the Istituto Europeo di Design
5. Sickness and accident insurance, so as to be able to benefit from the Health Service in Spain.

These internships may be replaced by the development of a project simulating professional practice, applying the professional knowledge and skills acquired under the tutorship of professional practitioners who lecture at the IED. Fundamental to start an internship experience is to gain a good level of Italian language during the course.
