MILANO WILL BE HOSTING EXPO 2015
Milan

Milano, the financial centre of Italy and the country’s economic engine, has something to offer everyone and is an ideal destination: easy to reach, near the sea, mountains and lakes. With over 1,300,000 inhabitants, our stylish city is also the world’s fashion and design capital and every year it hosts several international exhibitions that attract people from all over the world.

Fashion weeks in February and September set the trends for the next year, and the Salone del Mobile in April presents all the latest of the world design industry.

Milano is a fascinating location, to be discovered little by little, whatever your interests are. There are historical buildings to admire such as S. Duomo, our unique gothic cathedral, La Scala opera house, Leonardo Da Vinci’s Last Supper and the Castello Sforzesco. Museums to visit and hidden treasures such as the Bohemian area of Brera, with its art galleries and the artists’ cafés, the fortune-tellers and the antiques shops. And don’t forget 10 Corso Como and the Galleria Sazzani... they are not to be missed during your stay in Milano.

Milano means lifestyle and entertainment: whatever your age, taste and expectations are, in Milano you will find what you are looking for. Opera, salsa dancing, theatres and nightclubbing, restaurants and bars that cater to every taste.

Shoppers of all kinds will love Milan’s many designer stores, especially during the winter and summer sales in January and July, and football fans should not miss a match at San Siro Stadium. And what about aperitivi and our International Nights?

Every night, the Milanesi meet after work or study to talk over a drink and delicious buffet meal in any of our many bars and cafés, the perfect opportunity for students to make new friends and spend unforgettable nights.
