LSI CHRISTCHURCH

Situated in Education House on Victoria Street, LSI Christchurch is at the very centre of the 'Garden City', perfectly located for experiencing the cosmopolitan life of New Zealand's second largest city. The facilities are excellent, and include a comfortable student common room, computers with free internet access, computers for private study and internet use, and self-study materials.

Leisure Programme: Often described as the most English city outside of England, Christchurch is filled with beautiful architecture, parks and leafy suburbs. The natural beauty of the area is famous - to the East is the sea, to the West lie forests, lakes and the Southern Alps, and to the North are rolling hills and miles of empty beaches. The social activities are accordingly varied, and include fishing, skiing and learning about Maori culture.
