Hyelm is located in the heart of Hampstead, one of the most famous and desirable areas in London. It is a few minutes walk to Hampstead underground station (Northern Line). The walk to school takes about 20 minutes.

The hostel is modern (built in 1981) and can accommodate up to 230 residents in twin bedded study rooms, all of which have hand basins and central heating.

Bed linen is provided and changed weekly and the rooms are cleaned by the hostel staff. The rooms are clean and comfortable with a ratio of approximately 6 to 10 beds to one bathroom, shower and toilet.

The hostel does not allow males and females to share the same room. Students have access to the hostel at any time and there is no time limit at night.

Students are required to bring their own towels and pay a £10.00 key deposit (refundable).

Checkout time is 10.00 to allow time for the hostel staff to clean the room for new arrivals. Rooms will not be ready until 14.00 although luggage may be left at the hostel if students arrive early.

Hostel facilities include: laundry, satellite television room, recreation lounge, table tennis, squash court, sauna and multi-gym.

The meal times are as follows:

	Monday-Friday	Saturday	Sunday
Breakfast:	7.15-8.30	8.00-8.30	9.00-9.30
Lunch:	None	12.30-13.30	13.00-14.00
Dinner:	17.30-20.00	17.00-18.00	17.00-18.00

Please note that this is hostel accommodation and although it is cleaned every day, there may be times when the common areas and bathrooms have been used by a number of people and the level of cleanliness may not be what you are accustomed to at home.

Meal times are adhered to and although the staff will try to provide food to latecomers, students are advised to eat at the prescribed meal times. As with the level of cleanliness, the food is adequate and represents good value but students should not expect the variety and quality that they are accustomed to in their homes.
