Enrolments

All individual enrolments should be accompanied by a deposit of 210.00 euros which can be paid by credit card, bank transfer or cheque. Cheques, in euros, should be made payable to **International House Barcelona S.L.** and sent to the Barcelona school address. Transfers should be made to our bank account which has the following IBAN number: ES84 0081-0057-34-0003159319, (Swift code: BSA BES BB) and is held at the Banco de Sabadell, Via Layetana 47, Barcelona. **Please note** that any bank charges incurred on payment of the deposit will be added to the balance of the course fee. However we do not charge commission on credit card payments. Enrolment and payment can be made with complete security from our website.

Payment

The balance of fees is due at least **2 weeks before the first day of the course**. Once we have received full payment, we will send all accommodation details.

Cancellations

Where a cancellation is received 10 days or more before the course is due to start, the deposit is refunded less 120.00 euros for expenses. For cancellations received with less than 10 days notice, the deposit is non-refundable. Once the course has started, the cost of the entire programme (course and accommodation) is non refundable.

Under exceptional circumstances, and at the discretion of the school Director, students' unused fees can be held on account for up to 12 months. In other words, the unused fees (not including the first week's course & accommodation fees which act as the cancellation fee) can be used to study at any of the International House VIVA Group schools for up to a maximum of 12 months after the cancellation date.

Please note: We recommend all students take out a course cancellation insurance policy to protect them against such an incident.

Insurance

All students will be covered by a basic medical insurance policy while in Tarragona. However, we strongly recommend students to take out additional travel insurance in their country of origin to cover any loss, sickness or accident which may occur during the course.
