Dear friends, partners and students, We are delighted to welcome you to French in Normandy.

As part of our policy of sustainable development we are taking every possible step to reduce our school's carbon footprint. As well as cutting our water and energy consumption, we are reducing our use of paper and other consumables. You will therefore have to visit our web site - www.frenchinnormandy.com - and our Facebook page - www.facebook.com/FrenchinNormandy - to find full details of our range of language, cultural and higher education programmes, plus more pictures and videos.

For a brief introduction to our 'Super Star' school please read this document, printed on recycled paper, and contact us if you have any questions: info@frenchinnormandy.com.

Looking forward to meeting you in Rouen shortly,
Very best wishes,

Tom and Eleri Maitland
Directors
